

## Join Us for a Close-Up Look at the Latest in Networking Solutions

### Cisco and Erb's Business Machines invite you to visit the Cisco NOW Van—with New Unified Communications and Security Demos—Rolling Your Way on February 28, 2008

Come experience the very best in real-world, small and medium-sized business solutions from Cisco® in a mobile showcase that's both educational and entertaining.

If you've seen it before, you'll want to again. We've recently updated it with the most advanced Unified Communications and Security solutions available today.

#### Demos that Drive Solutions Home

The Cisco Network on Wheels (NOW) is a 25-foot van equipped with the latest Cisco networking technologies. This unique showcase provides hands-on demonstrations of proven integrated networking solutions that are customizable to your business size and needs.

Once onboard, you'll take part in interactive demonstrations of technology solutions that can sharpen your competitive edge, maximize productivity, reduce operating costs, and increase user satisfaction—just what you need to increase the growth of your business.
